NOTE: Transmittal 100, dated December 31, 2008, is being rescinded and replaced by Transmittal 101, dated January 16, 2009 due to a correction in the manual portion of the instruction. Within Section 20.3 we have removed one of the “i’s” in the third CFR citation. In addition, in Section 70.3, Subsection 3 entitled, “Reasonable and Necessary Services,” the word, “imminent” is added to that portion of the sentence that is italicized. All other information in this instruction remains the same.
